## FORD WILSON'S GUEST AT SHADOW LAWN TO-DAY

Chairman McCormick to Have Final Conference on the President's Trip West.

LONG BRANCH, N. J., Oct. 2.—Vance C. McCormick, chairman of the National Democratic Committee, arranged to come here late to-day for a conference with the President. It was considered probable that he would make final arrangements for the President's two speeches in New York State.

On his coming trip to Omaha and back this week, the President will make brief stops at Chicago, but inasmuch as he has arranged to speak in Chicago on Oct. 19, he does not plan to make addresses there on this trip. His stops will be so brief that he will probably stay in his private car.

Henry Ford was a guest of the President at luncheon to-day.

Postmaster General Burleson and Secretary McAdoo of the Treasury Department had an extended conference at the executive offices in Ashbury Park to-day and went thoroughly over the political situation.

## CONVICTED PROMOTER FIGHTS FOR RELEASE

Albert Freeman, Accused of Stock Swindles, Raises Point to Avoid New Trial Granted Him.

Albert Freeman, the promoter, who was convicted with Julian Hawthorne and Dr. William J. Morton of being concerned in a conspiracy to swindle investors in mining stocks and sentenced to serve a long term of imprisonment in the Federal penitentiary to-day, through his counsel, asked Judges Cox, Ward and Rogers, sitting in the United States Circuit Court of Appeals, to recall and amend the mandate granting him a new trial and order his discharge.

In Freeman's behalf it was urged that his trial before Judge Charles M. Hough and Julius M. Mayer was a bar to the retrial of Freeman, set to begin next Monday. It was contended that the accused was in jeopardy at the former trial. That action, which lasted four months, cost the Government \$100,000 and Freeman a like sum, and Freeman's counsel urged in view of the Appellate Court's decision that neither the Government nor his client should be forced to expend another \$20,000 on a second trial, which if held, would be upset on the plea of double jeopardy.

Assistant United States Attorney General Wallace, opposing the motion, contended that the Appellate Court had no power to recall and alter the mandate unless to correct a clerical error. Decision was reserved.

## BLACKMAIL VICTIM COMING HERE TO TESTIFY

E. R. West Will Tell Federal Grand Jury How He Was Fleeced Out of \$15,000 at the Ansonia.

CHICAGO, Oct. 2.—E. R. West, wealthy business man of this city, who recently made charges of blackmail against Miss Buda Godman and others arrested here by Federal authorities, is on his way to New York to testify before a Federal Grand Jury how he was fleeced of \$15,000 at the Hotel Ansonia by men posing as Federal officers.

Buda Godman to-day said West had promised to marry her and that he obtained a license last March. She said she loved him and is ready to marry him.

"Archie" Roosevelt Fined for Speeding.

(Special to The Evening World.) HEMPSTEAD, L. I., Oct. 2.—Archibald Roosevelt, son of Col. Roosevelt, pleaded guilty Saturday afternoon before Justice of the Peace Frank Seaman of Mineola for excessive automobile speeding and paid \$25 fine.

Newark Welcomes Its Soldiers.

Thousands of Newarkers turned out yesterday to welcome home the boys of the First Regiment, New Jersey Infantry, which had been on the Mexican border since June. The principal streets through which the soldiers marched were easily decorated. The regiment arrived from the State camp at Sea Girt, where they had been encamped for nearly a month, and proceeded to Branch Brook Park, where they were reviewed by Mayor Raymond and other city officials.

Irish Discussion Growing.

Dr. Joseph Byrne, a professor in Fordham University, arrived here yesterday on the steamer Philadelphia after a visit to Ireland. He said discussion is growing there more rapidly than ever. "Conscription would precipitate a revolution," he said. "The Sinn Feiners are no longer looked down upon. They are generally recognized all over Ireland now as men and women who fought for a right."

Mrs. Smith saw the grocer's boy hustling D & C to Mrs. Jones. "Now I know why her cake and biscuits and puddings are so good. Guess I will have to tell my grocer—"
